# Our Country's People

### ACROSS

1. A government in which citizens elect representatives to make decisions for them.
4. The laws and people that run a country, state, county, city, or town.
5. Jobs people do to help others, rather than making things.
9. Making large amounts of goods in factories.
10. The special way a group of people does something.
11. A group of people whose ancestors are from the same country or area.
15. The highest court of the United States.
17. A person who comes to a new country to live.
18. A person in your family, starting with your parents, who was born long before you.
19. The moving of goods or people from one place to another.

### DOWN

2. The money a business earns after it pays for tools, salaries, and other costs.
3. Relying on one another to meet needs and wants.
6. The way a country uses or produces natural resources, goods, and services.
7. The plan of government for the United States that explains the parts of the government and outlines the most important laws.
8. The person who is head of the executive branch of the United States government.
10. The legislative branch of the United States government, which makes national laws.
12. A person who is born in a country or who has earned the right to become a member of that country by law.
13. Someone who puts money into a business and expects a share of the profit.
14. The story of what happened in the past.
16. Money people pay to the government so that it can perform public services.
